

# DANVILLE VILLAGE CONDITION CHARRETTE

*~ A Walking Tour ~*

Join us **Saturday May 11, 2024 at 9:30am** for a walking tour of the public areas of the Danville Village. Meet us at the Town Hall and help us build and prioritize a list of desired changes to Town owned property and infrastructure.

Help guide future projects and improvements by providing *constructive feedback* about our assets in the Danville Village with a guided walking tour with community members, community organizations, and members of the Selectboard.

Follow-up *information download* will be held after the walking tour in the Town Hall where light refreshments will be served, and a *brainstorming* meeting will be scheduled.

We look forward to hearing how we might be able to make improvements to the spaces and places you use.
