## DEVELOPMENT PERMIT APPLICATION

A development permit is required prior to ALL land development, including but not limited to the construction, conversion, relocation, or enlargement of any structure, any excavation or filling or sitework incidental to development regulated under Danville's regulations, or any change or extension in the use of any structure or land. If the application is found to be complete, the Administrative Officer will issue a decision or refer the application to the Development Review Board within 30 days. Incomplete applications will **NOT** be processed. **An ACCURATE site plan, drawn to scale, or a survey map for subdivisions, must be submitted in conjunction with this application.** Applications for **SIGNS** must also include a diagram of the proposed sign depicting the exact dimensions and location(s) of the sign(s). **PLEASE COMPLETE NON-SHADED AREAS BELOW.**

### SIGNATURE REQUIRED

I certify that by signing this zoning application, I am aware that if I heat or cool space, do rehabilitation work, or extend any heated or cooled structure, I may be subject to the requirements of the Vermont Residential or Commercial Building Energy Standards.

I also certify that, to the best of my knowledge and belief, all information provided in this application is accurate and that all work will be completed, and the property will be used in accordance with this application and site plan. Any conditions attached to the development permit will be binding on the property. The undersigned authorizes the Administrative Officer access to the property to ascertain compliance with said permit. I further certify that I have attached an accurate site plan and have fully completed this application as required.
