

**Agenda for Danville Conservation
Commission Meeting Monday, June 1st,
2026 @ 7pm**

Location: Town Hall Meeting

1. Approve May minutes
2. Discuss Pumpkin Hill Management plan next steps: Border marking, Northwoods, Invasives.
3. Coverts collaboration for invasives at Pumpkin Hill August 29th or 30th September 12th or 13th?
4. Activities at Rogers lot: Blue signage (Vange still needs to order more), and asking The Road Crew to dump some material for filling the ruts in the trail and ditching of the drainage area on the north side of the access road. Should we schedule a work day for that? Maybe work on clearing out a nice area at the landing for picnic tables. And sussing out the logging trails to make them more accessible (maybe ADA?)
- 5.Any other business
- 7.Schedule next meeting.
