

LVRT SEGMENTS TO OPEN

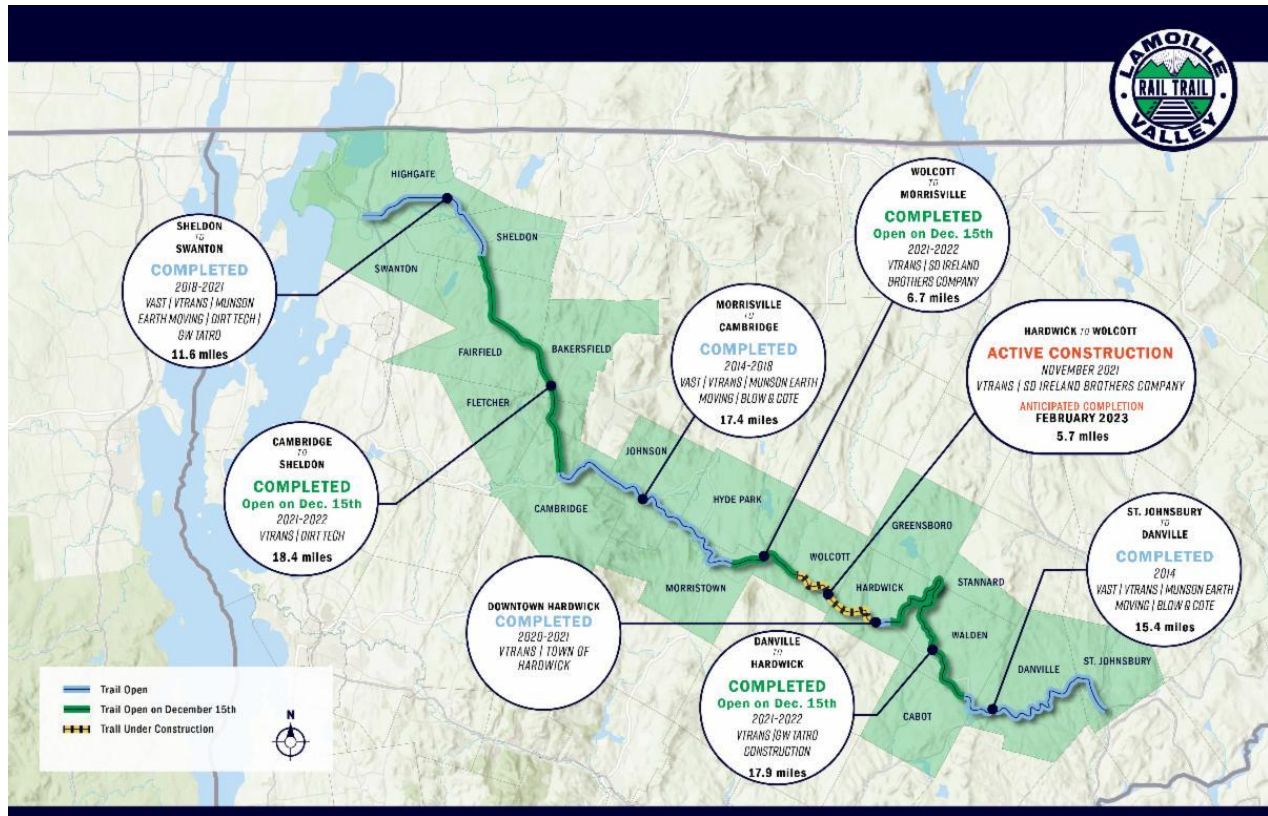

CONSTRUCTION UPDATE: December 2022

PROJECT TYPE: Rail to Trail Conversion

PROJECT LOCATION: LVRT Rail Trail Corridor

PROJECT UPDATES: An exciting milestone occurred along the LVRT yesterday.

The **Danville to Hardwick**, **Wolcott Village to Morrisville**, and **Cambridge to Sheldon** segments are open for public use.

The final remaining segment, Hardwick to Wolcott Village, is expected to be completed February 1st, 2023. Until then, that segment **remains closed to public** use while active construction is still underway. AOT is working with the Vermont Association of Snow Travelers (VAST) on potential detours and other ways to mitigate impacts associated with the continued construction work on this trail segment.
