

Town of Danville Planning Commission
Approved Meeting Minutes
April 27, 2023
Danville Town Hall at 7:30pm

Attendance: Vince Foy, Rob Balivet, Glenn Herrin, David Kyle, Kate Whitehead, Jeff Paquet

Glenn opened the meeting at 7:30pm

Minutes

MOTION: Vince Foy made a motion to approve the March minutes. Motion carried.

Committee Updates

Design development and schematic phase is near completion. Working on 2 new grant opportunities (Art Council & Better Places). Fundraising campaign launching soon. Feasibility study underway - Danville Community Business Forum being planned. Rob has started reviewing books – will focus on unique architecture.

Bylaw Modernization Grant

Selection committee has been established and is reviewing consultant proposals.

Enhanced Energy Plan

PC discussed final edits; change thermal energy language (use heat & cooling), expand language for Act 174, define BTU and give examples. Food systems section not required in the Energy Plan. This could be expanded in the Community Resources Section of Town Plan (composting, community gardens, local foods).

MOTION: Jeff Paquet made a motion to adopt the Danville Enhanced Energy Plan with expected revisions from PC. Rob Balivet seconded. Motion carried.

Next steps are to start the process for public hearing.

Town Plan Update

Transportation & Flood Resilience - Added section on ATV w/language on ordinance, updated rail trail & traffic calming, took out completed tasks/objectives. Transportation section will include tasks that help road crew prioritize future projects, provide cost estimates for updates to road/infrastructure improvements (ex.crystal ave, penny lane). Discussed LVRT future trailheads (Park & Ride, Train Station, access road to sewer plant). Discussed flood resilience section - this is a state required element. Continue updates for Town Plan chapters.

Meeting Adjourned 9:15 pm
