

**Construction Update**  
**Marshfield-Danville NH PS19(1)**  
**[U.S. Route 2 Resurfacing Project]**

**DATE:** Friday, September 1, 2023

**TRAFFIC IMPACT AND DURATION:** In observance of Labor Day, crews will be out of the roadway today, Friday, September 1, at 12:00 p.m. and will return to site Tuesday, September 5, at 7:00 a.m.

Tuesday, September 5, through Friday, September 8, between the hours of 6:00 a.m. and 6:00 p.m., motorists can expect multiple traffic control packages along U.S. Route 2 (U.S. 2) with lane closures and alternating one-way traffic in Marshfield. Flaggers and Uniform Traffic Officers will be present to assist motorists through the work zone.

**Motorists are advised to follow the posted speed limit and travel with caution as areas of the roadway are scarified, have a gravel surface with no markings indicating the centerline and edge line and are coated with cold mix and hot mixed bituminous concrete pavement.**

**CONSTRUCTION ACTIVITIES:** Crews will continue the initial reclamation process and placing gravel to correct the roadway geometry, beginning at Bickford's Quarry and progressing east towards Marshfield Village. Crews will also continue paving the first layer of hot mix followed by temporary line markings on the roadway, beginning near Nasmith Brook Road, and progressing east towards Bickford's Quarry.

*Crews paving the first layer of hot mix.*

**LOCATION:** Beginning near the Plainfield/Marshfield town line, on U.S. 2, near the intersection of U.S. 2 and Hillside Drive, and extending easterly along U.S. Route 2 to a point just west of the VT Route 15 and U.S. 2 intersection in West Danville.

**PROJECTED COMPLETION:** Summer 2025
