

North Danville School Association
Meetings: Wednesday, August 16, 2023, 7 PM

Attendees: Lee Beattie, Kay Hopkins, Debby Marrier, Liz Sargent, Joan Legendre, Marie Langmaid

Lee called the meetings to order.

The previous Minutes of June and July were accepted with minor corrections.

Treasurer's Report: presented by Marie and accepted for audit with corrections.

- Playground Fundraising Thermometer Sign: again talked about but who to do? Needs to be bold and bright.
 - Playground specs need to be done before applying for any grants.
 - Fence needs to be put up by the ditch.
 - Need markers/barrier so plow doesn't hit it.
- Ramp staining/painting: Carole Kuligoski will do in 2024; we need to wait one year.
- Bylaws: we need to look these over at a future meeting to vote on them.
- Officers: Need to vote on them in October.
- School Association will pay for the toilet work.
- Community Club paying for the July 4th trash.
- Water: The spring belongs to the school.
- Kirk Fenoff looking at water coming up in driveway from spring we are not using. Kirk will cap off the line.
- SA Fishburn's Agreement for window work was looked over; we agree and town clerk will sign.
- Building Painting: Jay Churchill's estimate is \$6850.00 and is attached to these Minutes in the Minutes Notebook.
- Ramp: Working should be starting August 17th.
- Bathrooms: The back bathroom's back wall needs to be insulated.
- Bead-board downstairs: it's two different kinds, one old and one newer. Perhaps Isaac Poe could do that work where the bead-board was torn out due to water damage.

Liz Sargent, Secretary

Next Meeting: Monday, October 9, 2023, at 7 PM
