

Danville Dog Park Committee Minutes

Thursday November 9, at 6:30 p.m., Danville Town Offices

Present: Alison Low, Erin Kennedy. By Zoom: Karen Hauserman, Polly Joncas, Dora Palmieri, Gary Farrow

The meeting was called to order at 6:35. The fundraiser event was confirmed for December 9th, on the Green at 4:30 p.m., as approved the Danville Selectboard. There was some concern about the darkness coming early, but Polly noted that lighting on the Green in the Gazebo was excellent.

The majority of time was spent reviewing Dora's draft of the dog park regulations. A few changes were made and then were sent on the selectboard for review.

The fundraiser event will be publicized by flyers, Front Porch Forum and word of mouth. Flyers will be available soon. We can also sell dog biscuits by donation. Here is one recipe that Alison has used:

Not much progress to report on site logistics, but the proposed rules can be shared with H20 and ANR after the Selectboard signs off.

The meeting adjourned at 7:45. The next meeting is scheduled for December 14th.
