

Draft meeting notes for DCC Meeting Monday, August 7th, 2023 @
7pm

Location: Town Hall Meeting

Vange Morse, Barb Hubruigste, Jo Oliver , Dawn Foy, Jake Langmaid

1. Approved July minutes
2. Need to blaze the trail. Paint. or signage? Sounds like we like wooden signage. Maybe a perfect high school wood working project to make little arrows?
3. Should we try to tarp the goutweed on the trail so people aren't tracking it everywhere?
 - tarp it and put woodchips (can get some tarps for free at Larribees) Cut late summer - (Greg) and early summer
 - systematically cut it and rake it off of the trail.
 - We could move the trail.
 - We should make some signage (Barb will e-mail VT Invasives) Interpretive trail. QR codes and more information and website. Forestry suppliers have signage templates.
4. We need to name the trail, suggestions maybe: "Matt's Meander"?
5. Ask Keith if he has bandwidth for the gate anytime soon.
6. Gates: size of the gates?
7. Cost of the kiosk: About \$500 for materials: not including roofing. So maybe \$1500-2000.
8. Vange will talk and ask Keith about his availability to talk about how they will plow the road and where the kiosk should go. and we are ready for the gate to be put in and we could do that together. (Need to measure how far apart the posts should be)

10. Next meeting date September 11th
