

## Agenda for DCC Meeting Monday, September 11th, 2023 @ 7pm

1. Approve August minutes
2. Discuss Progress on, and Update Roger Lot To-To Lists
  - Kiosks - building times/dates and location
  - Update on Gate construction/fabrication- Keith
  - We need to go to the selectboard to ask for them to plow the road and parking area for winter access. But only makes sense if we are able to mark the trail and keep it open for people.
3. Set a Trail building date for finalizing (raking) the remainder of the trail. Trail marking and discussion of a Trail Opening Celebration? is it too late
4. Set next meeting, Kiosk Building, work meeting?
