Town Meeting Warning and Model Articles

Wednesday, January 10 @ 10 AM

Zoom Webinar

The Town Meeting Warning is the most important document to ensure a successful town meeting. Proper wording of town meeting articles and of the warning itself is important for many reasons, including compliance with Vermont law; telling your citizens where, when, and how to vote; and making sure they understand the questions asked and possible outcomes. Attendees will learn the basic legal requirements of the Town Meeting Warning and review VLCT's set of model articles.
