1. Approved April meeting notes.

2. Talked about kiosks: Materials were delivered to David to begin cutting the wood for the construction of the kiosks.

3. Discussed the information we need/want on the kiosk and map.
 - Add Multi-use Forest to Rules
 - Blue Arrows will be the bike trail
 - Yellow arrows will be the xc trail
 - Add hunting season dates to the “wear orange warning”
 - Have a separate large tag for the Emergency Address
 - Use Orange paper for the Rules Page
 - Differentiate trails with better colors - Orange for Vast trail, neon blue for Bike trail.
 - Label the Stump Dump
 - Add Natural History Map and a QR code to the Forest Management Plan
 - Add link to VT Invasives at bottom of Invasives page.
 - Bridget will look at signage to order Blue and yellow arrows
 - Vange will make edits to maps and rules and print out
 - Naming the trail? Goodenough? In homage the very first landowner?

6. Get set for our first Work Day Saturday May 11th. at Rogers Lot. Chainsaws and clippers ready!

7. Set next meeting date
