- **Jeanette Hastings Bergeron** of 28 Pleasant Street, Keene, NH use to live in Danville. She intends to move back to her Hastings Hill Road home which is on a Class 4 road. She is seeking to have the Class 4 road changed to a Class 3 road which is approximately 700 feet. This portion of the road was not brought up to code/specs and she is asking to get it approved and to have care by Town on road and driveway.

Keith Gadapee discussed process: conduct hearing, towns people can weigh in or Selectboard can choose no hearing and Jeanette Hastings Bergeron can petition to push for a hearing. Keith Gadapee encouraged Jeanette Hastings Bergeron to come to the Selectboard.

Alison Low inquired what the hearing notice requirement was.

Keith Gadapee thought it was 30 days. He suggested the Selectboard hold a site visit and then respond to request to start hearing. The burden is on the land owner not the Town in regards to cost to make the road a Class 3.

Peter Griffin inquired about road criteria and they could find it.

Keith Gadapee noted he could provide criteria. He suggested Selectboard keep in mind that the road needs to be a benefit of the habitants of the Town and for public good.

Glenn Herrin noted the road is a dead-end road but there were two others on the road. The road is Class 3 then turns to Class 4. The Class 3 portion ends before the homestead so the Selectboard would be making Jeanette Hastings Bergeron's driveway a Class 3.

Alison Low inquired about length.

Keith Gadapee noted it was not a mile.

Eric Bach noted it was .8 miles.

Janice Ouellette inquired if the Selectboard desired to schedule a site visit.

Eric Bach liked having Historical Society involved in making decisions and not limiting themselves. Eric Bach discussed maintaining cemeteries.

Keith Gadapee noted the person who installed the fence approached him about adding gravel to the entrances of the cemetery. He would like to polish the entrance ways to the cemeteries by adding gravel. Keith Gadapee thought it was a good idea and that he should be able to bring in gravel for the person. Keith Gadapee did not feel that there was a burden to the Town to do such. Keith Gadapee inquired if the Selectboard wanted gravel added and if they would approve him to do such.

Glenn Herrin was in favor.

Alison Low thought it sounded nice.
