Special Selectboard Minutes
October 8, 2024
Wightman and Kittredge Road Intersection
7:30 am

Board Members Present: Janice Ouellette, Alison Low, Glenn Herrin and Peter Griffin

Board Members Absent: Eric Bach

Others Present: Keith Gadapee and Albert Lamont

Selectboard met and discussed alternatives for a safer traffic pattern at the intersection of Wightman and Kittredge Road.

Consensus was to leave the stop sign on Wightman Road and add an additional stop sign on Kittredge Road above the rail trail crossing.

Highway crew to cut trees and vegetation on corner of Wightman and Kittredge below the rail trail to increase visibility. Keith Gadapee will consult with VTrans District 7 for approval of plan or suggested alternatives.
