

Danville Outdoor Community Ice Rink

Chelsea Hewitt • Park St, Danville

Announcement

The weather is continuing to look wintery for the foreseeable future so come down and skate at the Danville Outdoor Community Rink! Located at the corner of Hill St and Grand View Ave (Hill St Park with the gazebo), just north of the light at Route 2 and Hill St/Peacham Road in Danville Village. Open from sunrise to 10pm daily! We do have some kids and adults skates in the black bin for borrowing in the gazebo on site as well as nets, sticks, pucks and snow toys for any non-skating kiddos. We try to get out daily and shovel in the mornings but feel free to shovel if we haven't made it out there or if there is a mid-day snow. Let's get our community skating!

Need your skates sharpened? Call/text Chelsea at 214-707-4457, I can now do figure skates as well as hockey so drop your skates off and let's get them freshened up.
