

Matthew Choate, RN, resident of Danville since 2015. I grew up in Barnet and St. Johnsbury, graduated from St. Johnsbury Academy and UVM twice! I hold Bachelor's degrees in Biochemistry and Nursing and have been a registered nurse since 1997. I spent my high school years and many years after working with CALEX and gave 20 years of service to the area communities in that role. I have worked in a number of places in VT, New England, and elsewhere but have been back in Danville for the last 10 years and currently work at Central VT Medical Center as the Chief Nursing Officer. I have served as a board member on various community boards and currently chair the Danville BCA. I also served a term in the Vermont Senate. I am an active member and officer of the VT State Nursing Board. I am interested in running for SelectBoard as I can bring my experience in local and state leadership to helping the town navigate our challenging times ahead with affordability, governance, and transparency.
