

Draft meeting notes for DCC Meeting April 7, 2024 @ 7pm

Location: Town Hall Meeting

In attendance: Vange Morse, Dawn Foy, Greg Prior

1. Talked about Barbs No Mow May post for the Facebook page and that we would like to re-tool it to make it more palatable for the masses and give them options for mowing.
2. Dawn wants to focus on the re-wilding and native plants. Dawn says she and the Peachem crew are talking about forming a group to help homeowners start to build gardens and home compost sites.
3. We are paying NEK waste management to take our compost. It would be great to help homeowners start a program. They are also talking about using Farmers Markets to do demonstrations. Danville Farmers Market is now from 3-6pm instead of during the day!
4. Discuss the Town Forest Plans for Rodgers Lot and Pumpkin Hill and determine next steps for updating the plans. - Vange will send out a google shared document for editing of the plans to everyone by this week. We will look over and send edits by next meeting.
5. Discuss our thoughts about Joes Pond milfoil action plans. We are on board with the pilot program just waiting on their timing to get the public involved.
6. Talk about upcoming events: Arbor Day April 25th - Reach out to Wes about giving us a tour of the trees on the green.
7. May 3rd Green Up Day. We have been invited to join the school kids in cleanups.
8. We were granted the banner funds so we should talk about banners and parade plans. - Reach out departments: Energy Committee, Chelsea- Chamber of Commerce.
9. Trail Maintenance plans? Goals for kids projects at Pumpkin Hill before they break for summer?

10. Next meeting is set for May 5th, 2025
