To the Town of Danville:

The undersigned, being the owner(s) of the property located at the address indicated above, do hereby request a permit to install and connect a building sewer service at said location (check one):

_____ Single Family residence _____ Multiple family residence
(number of units _____)

_____ Other (school, church, restaurant, other commercial)

- 1) The following indicated fixtures will be connected to the property building sewer:

| Number | Fixture | Number | Fixture |
|--------|-------------------|--------|-------------------------|
| _____ | Bathtubs | _____ | Showers |
| _____ | Bedrooms | _____ | Toilets |
| _____ | Garbage Disposals | _____ | (Other) please describe |
| _____ | Kitchen Sinks | | |

- 2) The maximum number of persons who will use the above fixtures is: _____.
- 3) The name and address of person or firm who will perform the proposed work is:

In consideration of the granting of this permit, the undersigned agrees:

A) Per Sewer Ordinance §10.04 Application Requirement. (d) Be accompanied by plans and specifications for the construction of building sewer.

B) To accept and abide by all provisions of the Regulation of Sewer Use of the Town of Danville;

C) To accept and abide by all provisions outlined in the Town of Danville Sewer Ordinance; and

D) All other pertinent ordinances that may be adopted in the future;

E) To maintain the building sewer at no expense to the Town of Danville;

E) The Superintendent shall be notified 48 hours in advance of any proposed sewer connection authorized by a final connection permit. The connection to the municipal sewer shall not be performed unless the Superintendent is present and shall not be covered until approved by the Superintendent.

(§10.07 (g) of the Danville Sewer Ordinance)

The undersigned agrees and understands:

- That all existing building sewer lines of the applicant(s) that do not conform to the current ordinance shall be replaced and reconstructed in such a manner that they conform to the current ordinance.
- That **no less than 48 hours before connecting to the system**, the applicant(s) will notify the Town for a final inspection.
- A Certificate of Compliance will be filed with the Town Clerk's Office after final approval by the Superintendent of the Sewer.
