- Tour ends at the Town Hall.
  - Light refreshments.
  - Information download
  - Plan for next steps.

# **THINGS TO CONSIDER:**

How does it look?

Is there need for repair?

Are there any safety concerns?

How might we improve upon what we have?

Do we have access to the resources needed?

What can we appreciate about what we have today?

What do we want to preserve about what we have- or have had here in the past?

SITE INFORMATION:

**Site 1:** Danville Town Hall / Parking Area

**Funding:** Sevigny Fund for Town Hall only. Grants for parking area.

**Existing Supports:**

**Scheduled Maintenance:** Weekly mowing. Town Clerk monitors upkeep needs and schedules when needed.

**Notes:** Grass area is slated to be a parking lot – progress is being made! Funding is not available from the Sevigny fund for this site as it is not original Town Hall property.
