

DOG PARK SITE VISIT*

Saturday,
September 13th
10 am

WHEN is the Dog Park opening?

WHERE is the Dog Park?

HOW can I help?

We've heard all these questions, no doubt to the great buzz created by our aww-so-cute logo!

We are now at the "all-hands-on-deck" phase: Putting the money and in-kind labor together for a 2026 construction start. Come see what is possible. There is a guided tour for the general public on **Saturday, September 13th at 10:00**. Get your recycling done early, put on some comfortable walking shoes and meet us at the Route 2 LVRT access, across from Marty's!

Although it sounds counter-intuitive, please leave your dog at home for this visit. There will be time for that later. Questions? Contact alow@danvillevt.gov.

*Yes, that's a picture of the actual location.
