RE: Danville CDS CD25(1) – Peacham Road Path and Hill Street Sidewalk Project

Notice of Public Information Meeting

Greetings,

The Town of Danville has initiated the planning and design of multimodal connections on Peacham Road and Hill Street. The project includes a path for pedestrian and bicycle use along Peacham Road between the Danville Athletic Complex and Park Street and sidewalk along Hill Street from US Route 2 to Highland Avenue.

A conceptual design has been developed and will be presented at an upcoming Selectboard Meeting on September 25th (see attached flyer). The proposed path or sidewalk will pass along the frontage of your property, or is adjacent to your property, so we invite you to attend the meeting, ask questions and provide any input you may have on the design.

If you are unable to attend the meeting but wish to see the plans, ask questions or provide input, please contact me via phone at 802-370-6126 or email at krobie@dubois-king.com.

Thank you and we hope to see you at the meeting on the 25th.

Sincerely,

Ken Robie
Danville Municipal Project Manager
DuBois & King, Inc.
